DECLARATION UNDER 37 C.F.R. §1.132

Sir:

I, Bethany K. Johnson, being duly sworn, say that:

1. I have been employed by the Dow Corning Corporation at Midland, Michigan since 1998, during which time I have been engaged in research and development activities in the fields of organosiloxane chemistry.
2. I am a co-inventor of U.S. Patent No. 6,787,603. I am also a co-inventor of the above identified patent application.

4. I declare that any invention disclosed but not claimed in U.S. 6,787,603 was derived by myself, and therefore is not the invention "by another".

I declare that all statements made of my own knowledge are true and that all statements made on information and belief are believed to be true. I also declare that, at the time these statements were made, I knew that willful false statements and the like are punishable by a fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code, and that willful false statements may jeopardize the validity of the application, or any patent issuing from it.

Bethany K. Johnson
